

The Highland Lakes Master Gardener Association Scholarship Committee

Mission Statement: The HLMGA educates the public in the most advanced horticultural ideas and practices. In support of its mission, the Association offers scholarships to qualified applicants from Burnet County and Lampasas County, who intend to pursue or are pursuing an undergraduate degree in horticultural sciences or a related field.

The HLMGA Scholarship is awarded each year if there are qualified applicants based on the following:

- Applicants must have primary residency in **Burnet County** or **Lampasas County**
- Currently attending or accepted to an accredited university, technical school or institution which offers horticultural or agricultural related degree/certification programs.
- Formally declared Horticultural, Agriculture or related fields as the "Course of Study" (see attached list), noted academic achievement, activities and leadership in both school and community.
- Completion of the HLMGA application process.

The number of scholarships awarded is dependent upon the number of qualified applicants as determined by the scholarship committee.

- If you are a high school or homeschooled senior entering a program, please proceed to the *Application for High School Seniors*.
- If you are already enrolled in a program in horticultural sciences or related fields, please proceed to the *Application for Current College Students*.

Applications must be submitted by April 30th by 11:59pm.

Mail completed application, applicant checklist with signature(s) and supporting documents in a sealed envelope OR electronically to:

**ATTN: Chair, HLMGA Scholarship Committee,
c/o Texas A&M Agrilife Extension,
607 North Vandever St., Burnet Texas, 78611**

For inquiries or electronic submission (by 11:59pm, April 30th)
