

Highland Lakes Master Gardeners Association Poinsettia Sale!

Hello to everyone on this gorgeous day! It's so sunny and mild that it's hard to believe it is time to think about the holidays that are right around the corner!

To help with your holiday decorating, I am, again, so happy to share with you that Highland Lakes Master Gardeners are jumping into fundraiser mode with the sale of gorgeous, nursery-quality poinsettias and Christmas cactus. This offers us a chance to get ahead of our Christmas decorations and gifts while also helping support our many local community projects, including growing vegetables for food pantries, helping students experience the benefits of growing their own food, funding college scholarships, providing nurturing spaces for nursing home residents and therapy patients, and even providing way stations for migrating monarch butterflies.

I encourage you to brighten your home – and your spirits – with beautiful poinsettias and Christmas cactus this holiday season! Ordering the plants is as simple as filling out the attached flyer and mailing it with a check. You'll be able to pick up your flowers before Thanksgiving – in plenty of time to enjoy them all throughout the holidays! The flowers are available for anyone to order, so please share the flyer with your friends and neighbors and encourage them to help in our efforts to fully fund all our HLMGA projects this coming year.

Thank you in advance for helping make this sale a blooming success!
